AMC Travelers,

Welcome to the Spangdahlem Passenger Terminal. We hope that the information provided here will assist you in traveling through our base and our facility. We pride ourselves in providing first-class customer service on behalf of the Air Mobility Command (AMC) to all of our traveling patrons and visitors. Please feel free to provide us feedback on our service through the ICE tablets positioned throughout the terminal. The team and I are also available to hear your feedback to improve our operation and customer service.

We hope that your experience with us is an enjoyable one and that you will continue to use your valued traveling privileges.

Dylan Cone, 1st Lt, USAF
Flight Commander

NOTES: The listed hotels and commercial transportation options are for passenger convenience only and are in no way an endorsement by the Department of Defense or the United States Air Force. Passengers are authorized 2 pieces of baggage up to 70 lbs each. Mobility Assist Equipment (to include powered wheel chairs) weighing over 100 lbs and the wear of open-toe or open-heel shoes are prohibited on AMC flights. Shoes with heels should have a wide base. Infants under 6 weeks old and women beyond the 34th week of gestation or less than 6 weeks post-partum must be certified in writing by a responsible physician as healthy to fly. All passengers are reminded that AMC terminals and flights are non-smoking/tobacco use. Any passenger with non-apparent disabilities (hearing impair, asthma, or pacemakers) should advise the agents of any disability at the time of check-in. Some locations have limited support capability, travelers must ensure availability of transportation and lodging at their next location. Travelers shall have sufficient personal funds to pay for commercial transportation. The DoD is not obligated to continue an individual's travel or return to point of origin. All personnel traveling outside of Germany must have a valid passport. Military personnel on leave are required to have ID cards and valid leave paperwork. Flight monitors are located in the terminal listing aircraft arrival, departure, and local information.

Upon check-in please inform agents of any unique requirements associated with hearing impairment,

asthma, pacemakers etc. so we can better assist you.
