AMC GRAM PASSENGER TRAVEL INFORMATION

CUSTOMS: FCG

Military Customs and Immigration Concerns: For Non-SOFA status passengers (retired military personnel, Japanese passport holders, diplomatic passport holders, DOD civilians not stationed in Japan, and dependents not stationed in Japan) entering Kadena AB, a visit to the Government of Japan (GOJ) Customs and Immigration Office is required upon arrival. Arriving passengers will be escorted by a Military Customs Official to the GOJ office, which is open daily from 0600-2400 hrs. It is the departing passenger's responsibility to process out of GOJ prior to departing on an AMC flight. If Non-SOFA passengers will be departing before GOJ opens, they may process out of Japan the day prior in order to catch their flight. ALL passengers with non-SOFA status are recommended to be stamped out of the country prior to competing for seats at the Space Available roll call. Passengers may wait until after they are selected and checked in for a flight before stamping out of the country if time allows, but they may lose their seat if they are not back at the terminal before the boarding time.
