An Nyong Ha Say Yo (Hello) and welcome to the Air Mobility Command Passenger Terminal, Osan AB, Republic of Korea. Our squadron motto here in the 731 AMS is "Tip of the Spear". We derive this not only from the distinction of being the most forward deployed aerial port in the world, but also because we provide our customers with the sharpest customer service possible. The men and women of my Passenger Service Terminal are here to answer any AMC travel questions you may have and ensure your travel is as smooth as possible. We ask that passengers with non-apparent disabilities (such as hearing impairment, asthma, or pacemakers) advise Passengers Service Agents of this disability at the time of check-in. Also please be advised that by order of HQ AMC there is a no tobacco-use policy on any aircraft. Below, you will find helpful information to make your stay at Osan AB as smooth as possible.
