Taxi Service on and off base available 24 hrs a day. A more economical way of getting to Catania is by using public transportation system. The bus is by far the cheapest and easiest. The public commercial bus system passes in front of the Support Site Base, NAS I To catch the bus, make your way to NAS I by using the free base shuttle bus service. It is advised that you have the correct change in Euro. This bus will terminate at the Catania train station downtown Catania. The train station is the main bus transfer point for most Catania and local destinations. To get back to base, catch the blue bus that is marked for "Ramacca".
